- Radnage Valley
- Ray
- South Bucks Heaths and Parklands
- South Western Commons
- Thame valley
- Upper Hughenden valley
- Upper Ray
- Wendover Woodlands
- Whaddon Chase
- Whittlewood Forest
- Yardley Chase

County Biodiversity Opportunity Areas

Name

- Chess Valley - headlands extension
- Claydon & Padbury Streams
- Colne Valley - ancient woodlands extension
- Milton Keynes City
- North Bucks Fens
- Ouse Valley
- Ouzel Valley
- Prestwood
- Thame Valley
- Thames Valley
- Tingewick Meadows and Woods

The Biodiversity Opportunity Areas (BOAs) map depicts the regional priority areas of opportunity for restoration and creation of Biodiversity Action Plan (BAP) habitats. This is a spatial representation of the BAP targets and are areas of opportunity, not constraint. The BOAs shown in the map do not include all the BAP habitat in the region, nor do they include all the areas where BAP habitat could exist. In particular, more work is needed to develop approaches in urban and in marine environments.

The Biodiversity Opportunity Areas Map is the property of the members of the South East England Biodiversity Forum. For more information please see www.sebiodiversity.org.uk
